### WILLIAMSTOWN.

Hon. Frank Plumley Speaker of Memorial Day Exercises.

The exercises of Memorial day were successfully carried out according to the program, under the direction of O. F. Seaver, commander of the G. A. R., ably assisted by Adjutant N. R. Farnham, Marshal Percy J. Jeffords, the band and orchestra, singers, members of the W. R. C., teachers and children of the public schools and citizens. While the weather was threatening and even rainy in the morning there were intervals of better weather and the procession was formed and marched to the cemetery and returned without any hindrance by the elements. A bountiful dinner was served in the dining room at grange hall by the corps to the members of the post, band and orator of the day and visitors. The orchestra of four pieces furnished music in the hall which was heartily applauded. The members composing the orchestra were George L. Simons, violin; C. W. Crum, clarinet; Clarence McDermott, cornet; and Mrs. Ada Reed, piano. The speaker was Hon. Frank Plumley, whose address was a thoughtful, earnest appeal to all citizens to do their duty to their state and the nation, following in the footsteps of those heroes who in the days of '61 to '65, laid their all for the altar of their country's welfare. The exercises by the school children were good, the musical tableaux being especially pleasing to the audience. The exercises were closed by the singing of "America" by the audience, led by the orchestra.
